## WHISKY

### Speyside

Speyside er et supert område i whisky verdenen. Området ligger mellom Inverness og Aberdeen. Det er her de mest elegante maltwhiskyene kommer fra. Elven Spey går gjennom dette området, og destilleriene ligger tett. Her får du alt fra elegante whiskyer til mer kraftige røykfylte og torv pregede varianter.

### Highland - Høylandene

Dalwhinnie 15y	98,-
Oban 14y	104,-

### Lowlands - Lavlandet

Området ligger sør for linjen Glasgow-Dundee. Stilen på whiskyen fra dette området har ofte lettere frukttoner med florale innslag. En whisky som ikke slår fra seg i munnen, men danser litt rundt.

Aberlour 16y	139,-
Glenkinchie 10y	94,-

### Islay - Single Malt

En liten øy på vestkysten av Skottland i øygruppa Hebridene. Øya er beryktet for ekstremt røyk- og torv pregede maltwhiskyer av sorten drøvel røskere.

## **Bourbon**

Bourbon og rye er ganske smaks kraftige brenneviner. Her finner vi mer sødme fra fat påvirkning enn i fesk en skotsk whisky. Grunnen til dette er utpreget bruk av nye eikefat i lagringsprosessen.
